EDUCATION

JAIN UNIVERSITY

B.TECH IN COMPUTER SCIENCE

Oct 2020 - Aug 2024

Current GPA : 8.0

RAMAKRISHNA SENIOR SECONDARY SCHOOL

CLASS XII

Apr 2019 - Mar 2020

Percentage : 80

RAMAKRISHNA SENIOR SECONDARY SCHOOL

CLASS X

Apr 2018 - Mar 2019

Percentage : 75

SKILLS

LANGUAGES

• Java • C/C++

FRONTEND DEVELOPMENT

• HTML5 • CSS3 • JavaScript

BACKEND DEVELOPMENT

• Node.js • Express.js

DATABASES

• MongoDB • MYSQL

API DEVELOPMENT

• REST • GraphQL

COURSEWORK

Problem Solving in Programming

Data Structures and Algorithm

Operating System

Programming in JAVA

Database Management System

Computer Organization and Architecture

EXPERIENCE

GEEKSFORGEEKS | TECHNICAL CONTENT WRITER

Feb 2022 - Aug 2022

- Wrote more than 5 articles related to computer science

PROJECTS

CODE-SYNCRER | GITHUB | LIVE

- A **real-time code editor** with live collaboration of users
- Supported Language - C/C++, Java
- Frontend was built using **React** and backend server was built using **Node.js** and **Express.js**
- **Socket.io** was used to create **custom rooms** and implement the functionality of realtime collaboration
- **CodeMirror** was used for syntax highlighting and other basic code editor features

BIT TRACKER | GITHUB | LIVE

- A web application through which **users can track their favourite cryptocurrencies**
- Users can see the prices in their preferred currency **INR** or **USD**
- It was built using **React** and **Material UI**
- **CoinGecko API** was used for the latest price of the cryptocurrencies

CHAT APP | GITHUB | LIVE

- A chat application built using **Socket.io**
- Users can **create custom room** and chat with each other
- **Node.js** and **Express** was used for the backend server
- Users can send their **current location** using this web app

ACHIEVEMENTS

- Solved **300+ problems** across various coding platforms
- Got a rank **479** out of **11k** participants in **CodeChef Starters 52**
- Got Selected as **Postman Student Expert**
- Successfully Completed **Hacktoberfest 2021**
- Working as a **subject matter expert** at **Chegg**
